Alfa Romeo Giulia Spider Veloce 1965 LHD Chassis nr : AR 390308
When I walked into the restoration shop of one of my Italian colleagues and I saw this Giulia Spider I was instantly seduced by this super-sexy sportscar. I have never seen in my 25 years of classic car dealing and wheeling such a perfect Giulia Spider! The previous French owner had asked the best Italian specialists to execute a 100 points restoration on this Giulia Spider, regardless of costs. The donorcar represented the ideal basis to execute such a demanding restoration: One of the very few Veloce upgrades on the Giulia Spider and matching numbers. All this certified by Alfa Romeo Automobilismo Storico Centro Documentazione. A CD with at least 100 photographs show clearly how detailed the cars restoration (body and mechanics) was executed. Also the original color combination of pastel yellow with black interior was respected. The final result just takes your breath away! This Spider Veloce is just sooooo beautiful... Comes with a factory hard-top, period manuals, restoration history and letter of certification from Alfa Romeo. Gorgeous quality at a fraction of the total cost. Price: more than the average Giulia Spider but still much less than what the previous owner finally paid.

Brand	Alfa Romeo
Model	Giulia Spider Veloce
Year	1965
