Kieft Barchetta

1953

Gallery

Kieft Barchetta - Style sports car RHD 4cylinder, 1500 cc engine (MG)

This very car participated at Le Mans in 1955. Continuous well documented history. Ground-up restoration in 98-99. Beautiful space-frame chassis, aluminium body and very advanced mechanics. Did very well at Mont Ventoux this summer. Authentic period racer.

Brand	Kieft
Model	Barchetta
Year	1953
