Galerie

Chassis nr GOH42 This elegant Mulliner Saloon, with division between chauffeur and passengers, is in lovely condition. Initially sold to Miss Carter in Wimbledon, it moved later into the hands of a US Marine Captain in the USA. While in Belgium for the last decade, this Rolls Royce benefitted from an expensive re-upholstering from the interior and restoration of the magnificent decorative wood. This majestic Rolls Royce is an excellent driver and is in a fine presentable condition. Initial life well documented by the RR Enthusiasts'Club. Why not travel in style and comfort with this classic beauty ?
