Aston Martin DB5 Volante

1964

Galerij

This very rare and superb DB5 in Dubonnet Rosso with beige hood and leather trim, was bought and sold within a few days. This is the second DB5 Volante which I place with customers of mine in Belgium in a couple of years time. It is a wonderful feeling having this "all time greats" around us and have the privilege to look after them in our specialised workshop.

Merk	Aston Martin
Model	DB5 Volante
Bouwjaar	1964
